Understanding and Responding to Children's Behaviour

9.00 - 12.00PM

Do you want to understand more about why children behave and react the way they do? What do teachers and educators need to know in order to proactively respond rather than react? Refresh your understanding about the importance of:

- Strong, warm relationships
- Children's development
- The educator / teacher role
- A quality learning environment that supports positive behaviour
- Support services for families
- Observing, documenting and planning for individual children

This session is suitable for educators working with children from babies to 8 years of age

Setting up Enriching Learning Environments - Indoors & Outdoors that Scaffold Learning

1.00 - 4.00PM

How do we create interesting and meaningful environments that promote, engage and sustain children's learning through play? This session explores the importance of creating spaces that nurture and inspire whilst facilitating learning. In this session we will explore:

- The key elements of quality learning environments indoors and outdoors
- Considerations for design, set up, materials and equipment
- The importance of open ended learning spaces
- Supporting children to resource their own learning
- Planning for ongoing modifications
- Intentional teaching

Suitable for educators working with children from birth

Building Resilience in Children

9.90 - 12.00PM

Research shows that social and emotional learning has significant academic and lifelong benefits. Children who are self-aware and confident try harder and are more resilient. This session gives a practical overview on the importance of Social and Emotional Learning with a focus on how individualised and holistic pedagogies support:

- Relationships
- Personalities and stages of social and emotional development
- Self-awareness, self-management and responsible decision making
- Emotional IQ

WALKER LEARNING - GEELONG

OCT
18

WALKER LEARNING OVERVIEW (F to Year 2)

9.30 - 3.30PM

A fabulous session for educators and leadership wanting to optimise young children's learning through a Play- Based pedagogy. This session is an introductory presentation of the key elements of Walker Learning in the early years (ages 5 - 8) including:

- The research and philosophy of Walker Learning
 - How to set up inspiring learning environments
 - The explicit teaching and linking to framework
 - The investigation session
 - How to authentically link literacy and numeracy into investigations
 - Implementation strategies for teams and schools
 - Introduction to Walker Learning documentation which links to the existing curriculum framework
- Ideally suited for educators who are new to or early in their Walker Learning journey!

WALKER LEARNING - BALLARAT

OCT
22

WALKER LEARNING STUDY TOUR (F to Year 6)

8.00 - 3.30PM

This one-day tour visits a school where you will observe students and educators in action, demonstrating aspects of Walker Learning. It provides opportunities for educators to observe the key elements of Walker Learning from Preschool right through to year 6.

Classroom observations will include the Early Years and the Middle and Upper Years. This PD provides the ideal mix of classroom observation underpinned by the theory and practical application of Walker Learning as a whole school approach.

Walker Learning Study Tours are a "must do" for educators and leadership who are just beginning or already implementing Walker Learning.
