Do you want to see great early childhood practice in action?

Do you sometimes wish you could see how other centres engage children's learning? Are you looking for new and inspiring indoor and outdoor learning environments?

Come along to this popular and informative one day Study Tour. You will observe two early childhood centres and gain insight regarding:

- Creating engaging learning environments
- Strategies for intentional teaching
- Play-based pedagogy
- Planning and documenting for groups and individual children

This PD is suitable for teachers and educators working with children aged birth to 5, working in early childhood centres (prior to primary school)
