A fabulous session for educators and leadership wanting to optimise young children's learning through a Play- Based pedagogy.

This session is an introductory presentation of the key elements of Walker Learning in the early years (ages 5 - 8) including:

You will have the opportunity to:

- The research and philosophy of Walker Learning
- How to set up inspiring learning environments
- The explicit teaching and linking to framework
- The investigation session
- How to authentically link literacy and numeracy into investigations
- Implementation strategies for teams and schools
- Introduction to Walker Learning documentation which links to the existing curriculum framework
- Professional Learning in the afternoon to look at key elements in more detail

Included is video footage and photos of key elements of the Play Based Learning pedagogy in F to Y2, from classrooms across Australia.

Ideally suited for educators who are new to or early in their Walker Learning journey!
