## **Presentation Sessions for Parenting and Education**

*Looking for an entertaining and inspiring speaker for your next  
Parent Information Session , AGM or Community Support Program?*

We speak at a variety of public events on a range of topics related to parenting, society and education including :

*Understanding Children's Behaviour: Survival Tips for Parents  
Resilience & Self Esteem  
So What's the Hurry?  
Setting Our Children Up For Success  
The Importance of Childhood & Play  
School Readiness*

Our team of highly qualified consultants present these presentations Australia wide throughout the school year.
