BUILDING RESILIENCE IN CHILDREN

3rd December
9.00am - 12.00pm

What can we do to build children's resilience? Research shows that social and emotional learning has significant academic and lifelong benefits. Children who are self-aware and confident try harder and are more resilient.

This session gives a practical overview on the importance of Social and Emotional Learning with a focus on how individualised and holistic pedagogies support:

- Relationships
- Personalities and stages of social and emotional development
- Self-awareness, self-management and responsible decision making
- Emotional IQ

This PD session is suitable for teachers and leaders wanting to enhance and support children's social and emotional learning in the early childhood and primary years.

APTS – 1.1,1.3,1.5,4.1,4.3,6.2

SETTING UP ENRICHING LEARNING ENVIRONMENTS - INDOORS & OUTDOORS THAT SCAFFOLD LEARNING

3rd December
13.00pm - 16.00pm

How do we create interesting and meaningful environments that promote, engage and sustain children's learning through play? This session explores the importance of creating spaces that nurture and inspire whilst facilitating learning.

In this session we will explore:
- *The key elements of quality learning environments indoors and outdoors*
- *Considerations for design, set up, materials and equipment*
- *The importance of open ended learning spaces*
- *Supporting children to resource their own learning*
- *Planning for ongoing modifications*
- *Intentional teaching*

This PD session is suitable for teachers and educators working with children aged birth to eight years of age. The session provides lots of practical ideas on how to add a broader and richer range of materials, resources and provocations to play learning spaces.
