CHADSTONE

8th August

9.30am-3.30pm

This full day session is conducted by an Occupational Therapist and Specialist Educational Consultant.

Do you have enough information and practical knowledge to support children with additional needs?

Join us as we identify key issues for young children with additional needs and provide a range of strategies and resources to support and inspire educators.

- Key issues and practical strategies for supporting language development
- Supporting children with sensory motor processing differences
- How to personalise learning and balance the needs of the group
- Ways to work with families and other professionals to address learning and development concerns

This PD session is suitable for Early Childhood Educators and Primary Teachers working with children aged birth to eight years of age.
