Planning & Providing for our Youngest Learners.
What are the particular developmental needs of babies and toddlers?

We will explore the critical role of warm, nurturing relationships with educators and everything babies and toddlers need to thrive and flourish.

We will also revisit our understanding of the pivotal importance of:

- Attachment theory
- Emotional Intelligence theory
- Developmentally appropriate practice
- Observing, documenting and planning for individual children
- Interesting and age appropriate learning environments

This morning PD session is for teachers and educators working with children from birth to three years of age.
