SETTING UP ENRICHING LEARNING ENVIRONMENTS

Indoor & Outdoor

7th June: Chadstone, Victoria

9.30am to 3.30pm

How do we create interesting and meaningful environments that promote, engage and sustain children's learning through play?

This session explores the importance of creating spaces that nurture and inspire whilst facilitating learning.

- The key elements of quality learning environments indoors and outdoors
- Considerations for design, set up, materials and equipment
- The importance of open ended learning spaces
- Supporting children to resource their own learning
- Planning for ongoing modifications
- Intentional teaching

This PD session is suitable for teachers and educators working with children aged birth to eight years of age.

The session provides lots of practical ideas on how to add a broader and richer range of materials, resources and provocations to Play-Based learning spaces.
